small russian town
streets, kiddy-gang
prison -> vory
small jobs, interest in hacking
prison again, self educated programming and "real" hacking / bricking
free -> full time vory, lent money for a deck and cyberware
some higher lvl jobs, mostly gang wars
lost an arm on a job -> more cyberware
political assassination job, then had to leave russia for a while -> usa
now in the nest, still owing the moscow vory money

CONCEPT

Show: Yes
